Additional information

The trip to the Herting Project on Thursday afternoon includes a 2km guided walk outdoors, so please ensure you bring clothing appropriate to the weather.

Regarding alcohol, Swedish municipalities have a clear policy for the provision of alcohol at municipal events. Delegates should note that limited alcohol will be provided by our hosts at the informal and formal dinners, however alcohol will be available to purchase at both meals.

If you are staying a little longer and have time to explore Falkenberg, there is a lot of useful information to be found on Falkenberg's website - <https://www.falkenberg.se/en/>
